

How many years have you worked on adaptation and resilience?

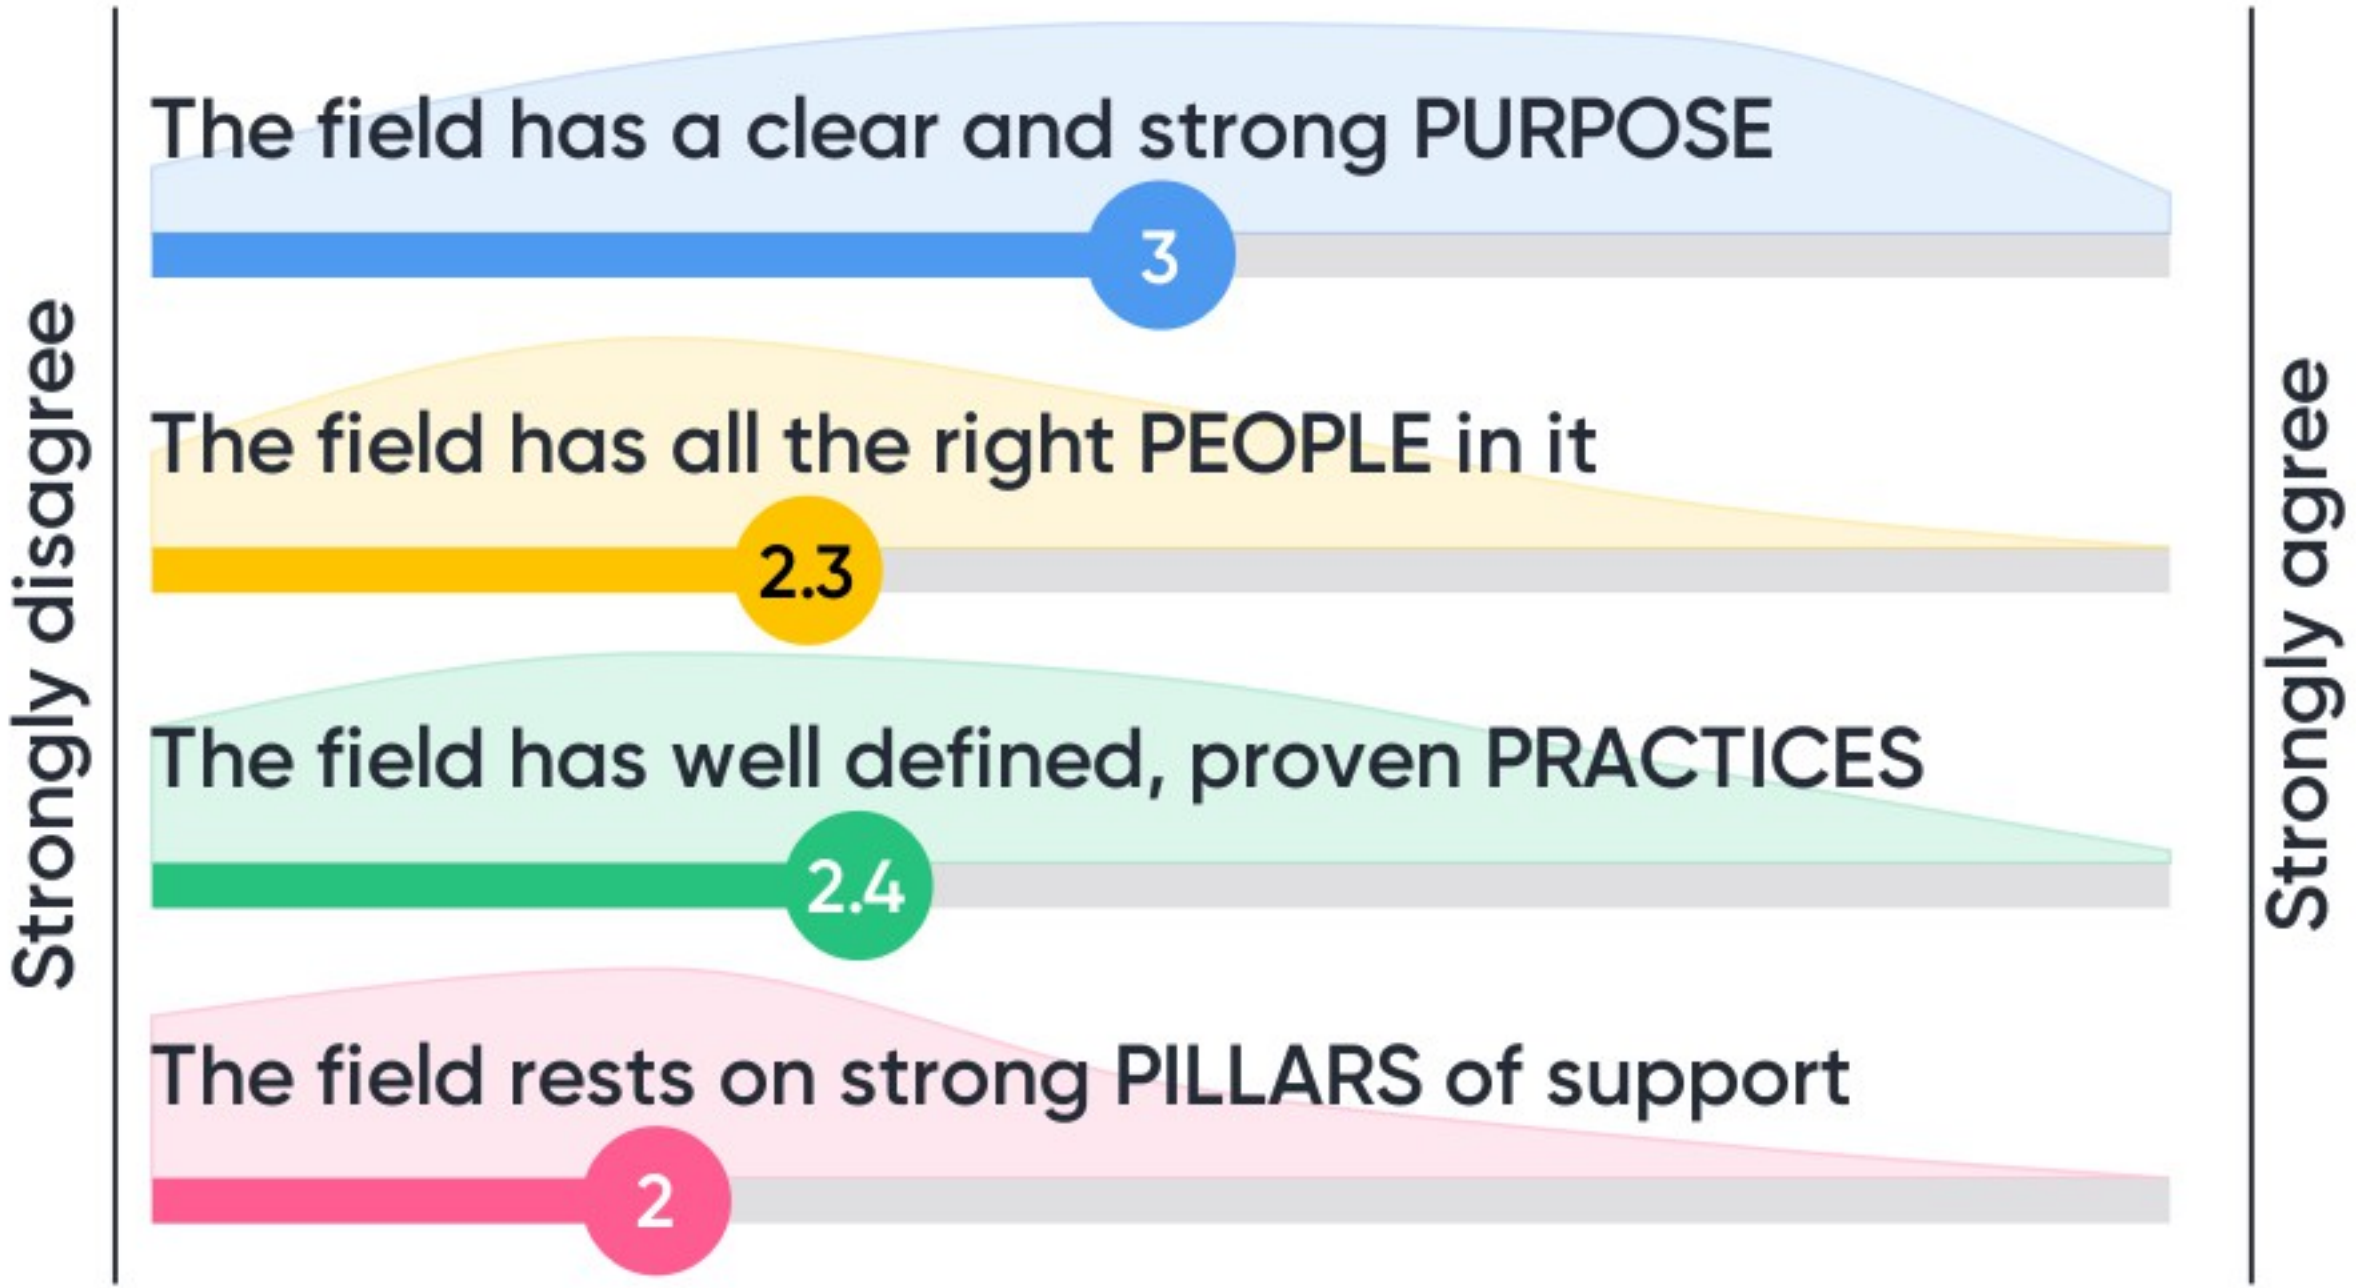

Where do you do most of your adaptation work?

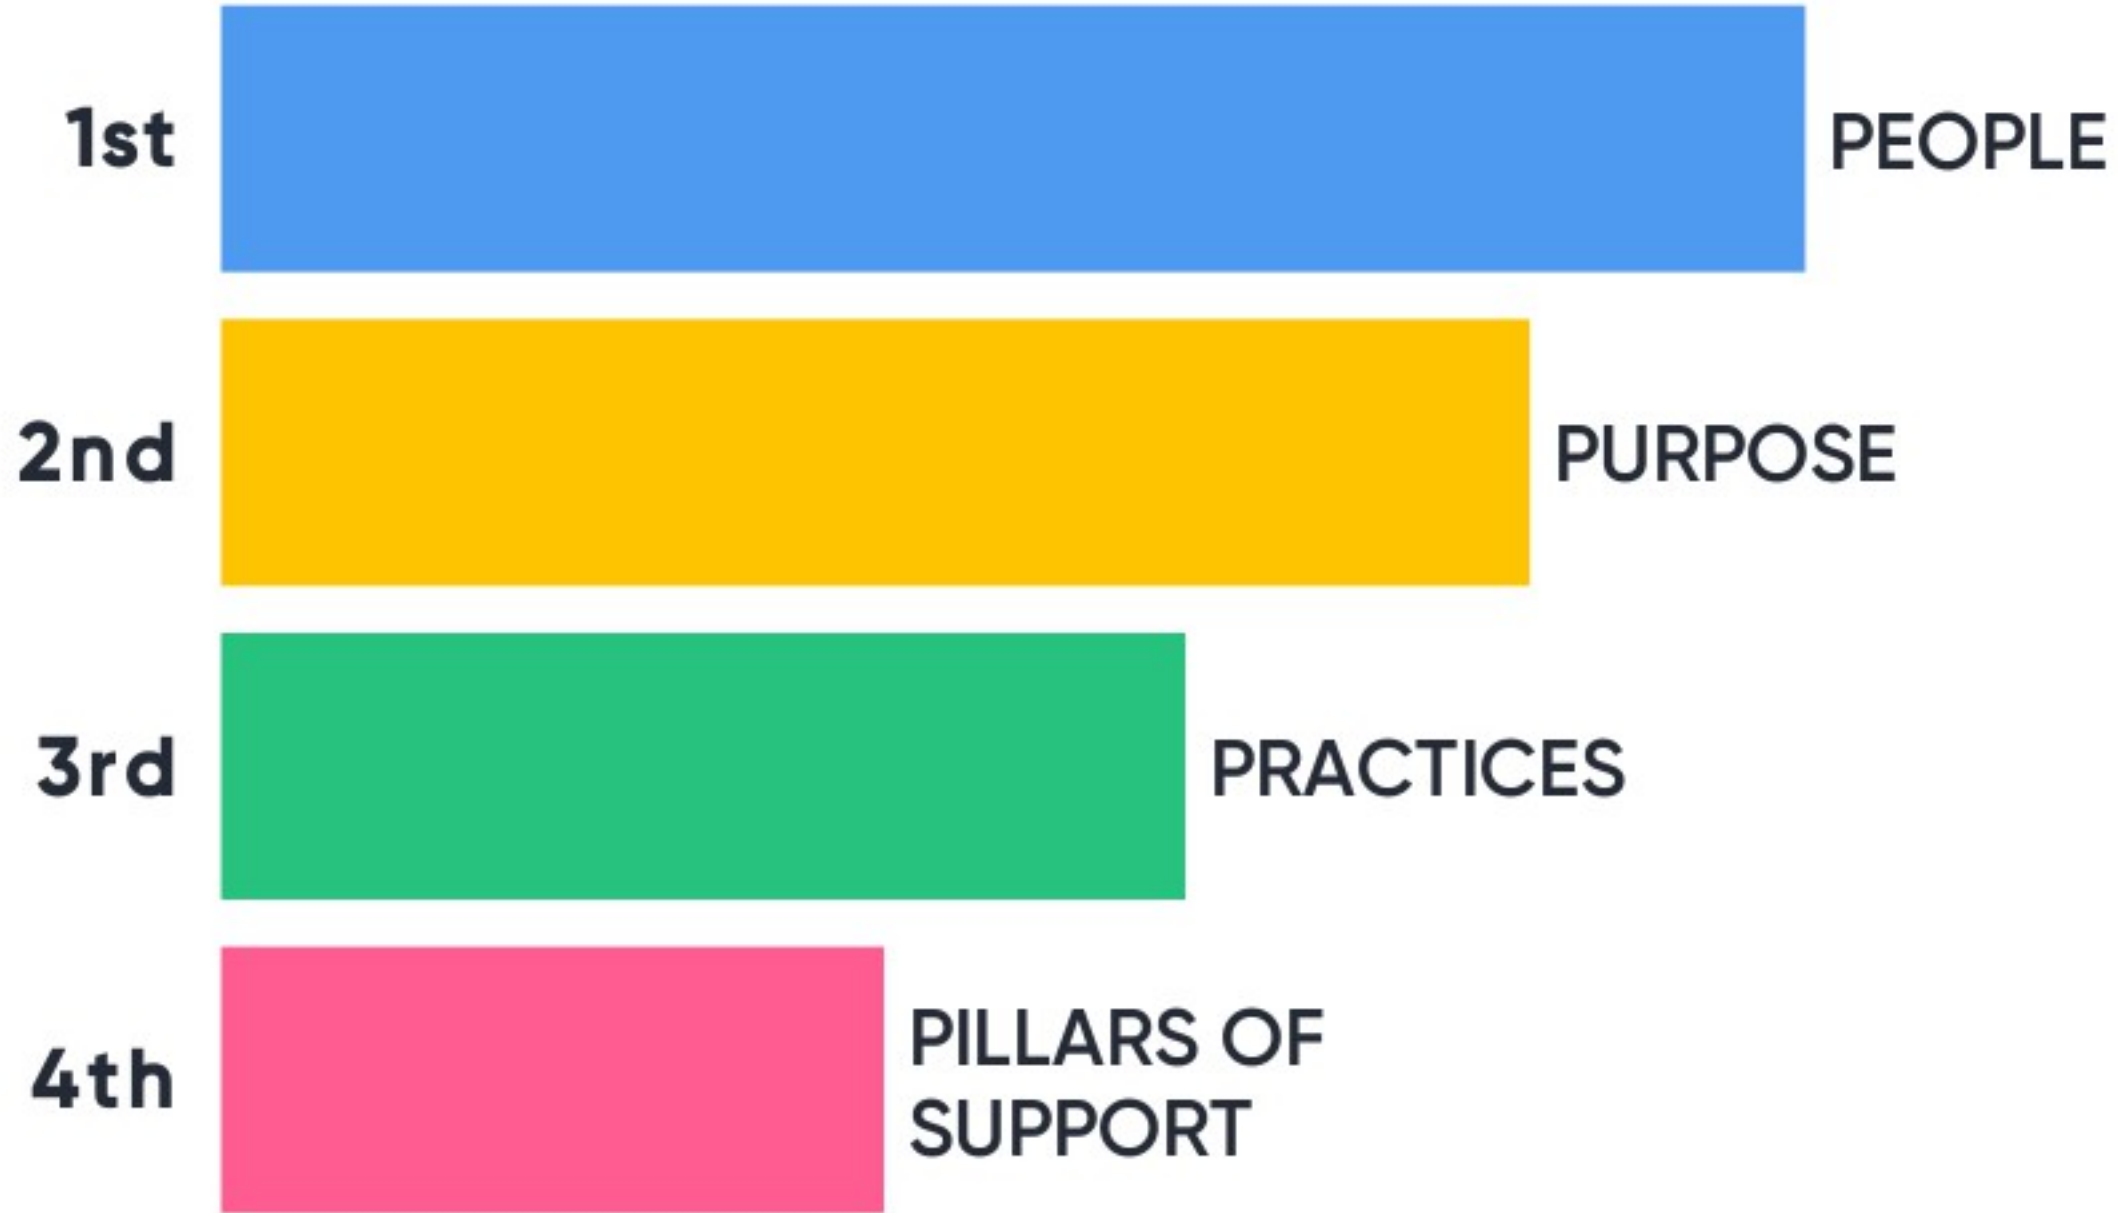

How familiar were you with the State-of-the-field assessment report before today?

The Current State of the US Adaptation Field

Over the past 2 years, where have you seen more or less growth in the adaptation field? (rank: 1 = strongest growth; 4 = weakest growth/decline)

What's it like for you?

Before today, how much have you thought about the added stress of climate change on professionals like yourself?

5- I think about it all the time

4- I think about it a lot

3 - I think about it occasionally

2 - I have thought about it once or twice before

1 - I have never really thought about it before
